Q: For many, the bedroom is like a personal sanctuary. As such an important space in one's home, are there any unique considerations you make when designing a bedroom space?

+ ANSWER

Q: It's easy to mistake the cover shot for a living room. What made this master bedroom and bathroom so special, besides the adorable dog of course?

+ ANSWER

Q: We love the soft and subtle nature of the accent wall. What is one piece of advice you would give to someone who is looking to incorporate a similar design?

+ ANSWER

Q: *In the bathroom, the modern, free-standing tub makes such a stand-alone statement. What was your vision for this light-filled space within the bathroom?*

+ ANSWER

Q: *From natural linens to lustrous drapery, there's a lovely mix of fabrics throughout the bedroom. What was your strategy for the materials?*

+ ANSWER

Q: *The flooring in both the bedroom and bathroom is simply stunning. Can you walk us through the selection process for the floors in these spaces?*

+ ANSWER

Q: *If you had to choose one aspect or element of this design to call your favorite, what would it be and why?*

+ ANSWER
